

NoisyCamp is an online platform helping musicians to **find and book music studios in their area.**

We support musicians and music studios, by reducing the time spent on paperwork, and by enabling them to focus more on creative activities.

## Fact sheet

- Launched in January 2021
- Available in 35 countries, including USA, UK and all EU countries.
- Headquartered in Liege, Belgium

## For musicians

- **Compare practice and recording spaces in their area**, including equipment and services.
- Always **up to date availabilities** of the various studio spaces.
- **24/7 online booking** and secure payments.

## For music studios

- **Create a presence online in a few minutes.**
- **Reach new musicians.**
- **Automate the booking process** of their practice and recording spaces.
- **Boost their revenue** with a more efficient usage of their spaces.
- **Embeddable online booking system** to their existing website.
